Mrs. James Breeze is ill at her home in East Fifth street.

The plans for the new K. of P. Castle Hall are approaching completion.

Mr. C. T. Ramey, the genial proprietor of the Kentucky Hotel, has been quite sick for a week past.

It's about time that a circus was heading this way. Maysville is one of the circus towns on the map.

Just received a new line of Neck Chains, Closures, Locketts, Blouse Sets, New Style Bracelets, Side and Back Combs, New Hat Pins, Set Rings, Cuff Buttons, Brooches, Pins for Ladies and Gentlemen, P. J. MURPHY, the Jeweler.

Mr. Charles Sutton, one of Aberdeen's best and leading citizens, will in a few weeks move his family to Cincinnati to take up his permanent residence. Mr. Sutton has already secured a delightful home on Walnut Hills, which he will occupy. Aberdeen can ill afford to lose such citizens as Mr. Sutton.

The funeral services over the remains of the late Lissant Cox, from his home in West Front street yesterday afternoon, were in accord with his own wishes—devoid of ostentation or panegyric. There was a formal reading of the liturgy for the dead, two selections by a quartette, a prayer—and with the simple statement from Dr. Alderson that Lissant Cox's life was his best eulogy, the casket was borne to the grave, almost hidden by the wealth of flowers that had been sent by relatives and friends, and by those who had been recipients of his benefactions.

## BEAUTIFUL BEECHWOOD.

The vaudeville season at Beautiful Beechwood opened last night to a good-sized crowd, who gave evidence that they liked the show by the generous applause. The performance did not run as smooth as it should on account of this being the first night and everything new to everybody. Bert Marshall and Anna Golde proved themselves entertainers of the highest order, while the magician was one of the best ever seen here; the juggler's act was well liked. Tonight several changes will be made in the program, the company's pianist will be here and patrons can rest assured of seeing a good program well worth the small admission of 15c.

BRAMEL—JONES.

Mr. Prickett Fleming Bramel, aged 23, of Mason county, and Miss Bertha Jones, aged 22, of Fleming county, were yesterday afternoon married in the parlor of the Central Hotel, Rev. R. E. Moss officiating.

The funeral will take place Wednesday morning at 9 o'clock from St. Patrick's Church with services by Rev. Father P. M. Jones. Interment in Washington Cemetery.

They made the run from the Depot to Davis's Coal Elevators in Limestone street, where they brought up with a jerk, without serious damage to wagon or horses. It was a marvelous run, considering the number of children and pedestrians in the street, and no one hurt.

## CASE DROPPED

And Both Men Will Be Friendly in the Future

The examining trial of James Butcher for shooting and wounding William Dickson was called in Squire Grant's Court yesterday morning.

Dickson positively refused to appear against Butcher, and no one else desiring to prosecute the case the warrant was dismissed and the accused given his liberty.

The relationship between the two men is that of father-in-law and son-in-law, Dickson having married the mother and Butcher the daughter, and being a family affair they wanted the matter dropped.

Notwithstanding Dickson is going about the streets with his arm in a sling, the wound not a trivial one by any means.

Charges have been lodged with Auditor Hager by the Sheriff of Clark County against State Revenue Agent A. M. Harrison of Lexington in regard to the method pursued in the settlement of the tax claim. The Governor has ordered an investigation of the charges and Auditor Hager, in consequence of the charges, and the fact that the Revenue Agent's bond was not renewed, has declared the office vacant. The Auditor, in a statement, condemns the methods employed by many Revenue Agents throughout the state in filing indiscriminate suits against alleged delinquent taxpayers and also disapproves the loose and irregular methods employed in settling them.

JOHN DULEY.

Appellate Judge Paynter has dissolved the injunction obtained by the American German National Bank of Paducah and others, restraining Auditor Hager from including in his tax assessment list certain funds invested in United States securities. The Court holds that if the contention of the plaintiffs was upheld, National Banks would be practically exempt from state, county or municipal taxes. The decision of Judge Paynter is of far-reaching importance, though the amount immediately involved only approximates \$100,000.

Yesterday was a troublous day for the C. and O.—beginning as early as 1 a. m. At that hour there was a pileup of nine coal cars in a cut at Bellevue, completely blocking traffic. The morning papers arrived on the Flyer, due at 1:30 and reaching here at 3:15, and that train crippled a newsboy in getting through Covington. Aside from this, no personal injuries resulted, but it will take several thousand dollars to foot the bills.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

## WHY?

Why are the good cooks getting so scarce in Maysville?

Because so many of them have gone and are going every day or so to Cincinnati, Dayton, Washington, C. H. and other Ohio towns.

Why do these good cooks leave Maysville to go to Cincinnati and other towns mentioned?

Because they get more money for less HARD work.

How is it that one woman can do all the cooking and house work, and even laundering, too, at these other places and yet be said to do less HARD work than she would have to do just cooking alone in Maysville?

Because cooking with Gas removes all the burden of kitchen labor, saves half the time, and leaves the cook fresh and able to do the other lighter housework, and even the laundering where Gas is used for that purpose also.

What would you do if you were the cook? Go away like the rest of them. It is a practical proposition. If you want to keep your cook put yourself on an equal footing with your neighbors across the river.

We have been telling you of some handsome Silks we are selling for 48c yard that regularly sell from 69c to \$1.25 yard. The task of counting the variety appalled us when we saw the counter stacked with four big piles. New arrivals fill the depleted ranks so rapidly, choice assortment continues at high tide. Now is the time to secure that pretty frock for the winter gaieties. It is worth buying ahead when one can save 10 to 25 per cent. If the City Council should vote away \$500 a year of the people's money to put tissue paper roofs on the public schoolhouses, the taxpayers would set up a howl that would be heard from Cracker's Neck to Charleston Bottom; and yet they sit idly by and see from \$4,000 to \$7,000 a year wasted on streets that are little better than paper.

It's really surprising how "influential" an 8x10 Country Editor is, and how "valuable" his little paper becomes, when the managers of a Fair or some kindred enterprise desire his help in advertising their scheme—free, gratis and for nothing, of course.

THE veterans of the Civil War are marching rapidly to the grave. A couple of decades hence and the last one will have answered the final roll-call. JUDGE PAYNTER of the Kentucky Court of Appeals dissolved an injunction secured in the State Fiscal Court by a number of National Banks to restrain the State Board of Valuation and Assessment from considering the amount of their funds invested in Government bonds in calculating the value of the shares of stock of the Banks for the purposes of state and county taxation.

Under the ruling the Banks will be called upon immediately to pay taxes for this year, aggregating \$100,000, which, had the injunction been sustained, would have been tied up in the Courts for months.

The Banks are contending that the amount of funds they have invested in bonds of the Government, being non-taxable, should be deducted from the total capital, surplus and undivided profits, and what remains be subject to taxation.

## INTERESTING LETTER

WRITTEN BY A NOTABLE WOMAN

Mrs. Sarah Kellogg of Denver, Colorado, Bearer of the Woman's Relief Corps, Sends Thanks to Mrs. Pinkham.

The following letter was written by Mrs. Kellogg of 1625 Lincoln Ave., Denver, Colo., to Mrs. Pinkham, Lynn, Mass.:  
Dear Mrs. Pinkham: For five years I was troubled with a tumor, which kept growing, causing me great mental depression. I was unable to attend to my house work, and life became a burden to me. I was confined for days to my bed, lost my appetite, my courage and all hope.  
I could not bear to think of an operation, and in my distress I tried every remedy which I thought would be of any use to me, and reading of the value of Lydia E. Pinkham's Vegetable Compound to sick women decided to give it a trial. I felt so discouraged that I had little hope of recovery, and when I began to feel better, after the second week, thought it only meant temporary relief, but to my great surprise I found that I kept gaining, while the tumor lessened in size.  
The Compound continued to build up my general health and the tumor seemed to be absorbed, until, in seven months, the tumor was entirely gone and I a well woman. I am so thankful for my recovery that I ask you to publish my letter in newspapers, so other women may know of the wonderful curative powers of Lydia E. Pinkham's Vegetable Compound.

When women are troubled with irregular or painful menstruation, weakness, leucorrhea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion and nervous prostration, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such trouble.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any other medicine.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

Health is too valuable to risk in experiments with unknown and untried medicines or methods of treatment. Remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

### Miss Birdie B. Walsh Writes of Her Trip—Arrives in the Land o' Cakes

Through the kindness of Mr. John Walsh, THE LEDGER is permitted to publish the following interesting extracts from letters written by his daughter, Miss Birdie Bisset Walsh, who is now enjoying a trip to Europe—

ON BOARD STEAMSHIP CALEDONIA, July 24, 1905.

I have just learned that on Thursday we will be able to send some letters home by a passing ship, so I will start writing one now, for by Thursday I may not be able to write.

I mailed a couple of postals just after we started, and also sent a letter from New York, which you will probably have received sometime before this reaches you.

Miss Erlon is in the stateroom with me and two strangers, not of our party. They are very nice, but great talkers. Our party is at the second table and I am very glad, for it gives us more time. The people on the first tables have to be on time so as to make way for us. These two ladies are at the first table and so must get up early and talk. I thought they never would stop this morning. After they left I went back to sleep and when I next awoke it was to hear the steward announce that the gong had sounded for our breakfast. I thought probably I would miss getting any, but did not, though by the time here (we gain about an hour each night) it was twenty minutes of 10. Some others were later than I thought, so I did not mind.

One of the ladies in our room said it was surprising to her how well I slept—said she did not get to sleep until after 11 and then did not sleep well.

I do not think anyone on the ship is very sick and only a few feel at all bad. The ocean is very calm. I think we have 500 first class passengers.

I did not remember that today was Sunday until the waiter mentioned it at the table this morning. Just after breakfast we had Church; a Presbyterian Minister from Newark, N. J., preached. The service was beautiful and impressive and well attended. I had to stand through the entire service. The singing of

I may be very glad to see land by the time we get over but just now I feel as if I could stay here several weeks without being tired. They have the sweetest bird in the dining room and when they had service it sang louder than anybody. Sings nearly all the time.

ON BOARD STEAMSHIP CALEDONIA, July 4th, 1905.

On all sides this morning we are reminded that this is the glorious Fourth.

The dining room is beautifully decorated in the red, white and blue, and at each plate we found a little souvenir flag. Every one is wearing the National colors. We are to have a dress parade this morning—not fine dress but comical. It is raining and gloomy outside but inside all is bright. Quite a number were

unable to come to supper last night and many are still in bed.

We were in a heavy fog during Sunday night and all of yesterday and the fog horn sounded every two minutes and we are only traveling half-steam, so will reach Scotland later than we expected. Last night we stopped once and many felt frightened, but it was only a passing ship and the fog made the stop necessary so they could sight it.

They certainly have plenty to eat on here. First comes breakfast; then about two hours later bouillon and wafers are served on deck; then dinner, bouillon and wafers again in the afternoon, then supper and either coffee, tea, lemonade or cocoa and sandwiches and cakes before going to bed. I am able to take my share of all that's coming and if I do feed the fish will have plenty to feed them.

Oh, yes, I must tell you I have a mash on the waiter. I may stay on the ship.

Another thing, I have tried to get up a flirtation with a preacher and the poor fellow is so shocked that I think he seriously considers getting off and walking.

I must tell you how it happened. You remember the Judge Robinson, was so taken with last year on my trip from Norfolk to Boston. This man is his double and I felt sure for a time that he was Judge Robinson. In consequence I presume that I stared at him more than I thought for, and he looks at me in such terror when I approach that it is comical. Miss Fraas says she is sure he is a preacher, and then, his wife is with him, so of course he must be good.

Well, we had our parade and of course had a good time, sang patriotic songs, had some college yells, plenty of noise and finished with "My Country 'Tis of Thee." All the men uncovered their heads and everybody sang; really was very nice. We have had considerable music today, as it is so damp most of us have spent the morning in the music room.

BIRME.

ON BOARD STEAMSHIP CALEDONIA / July 6th, 1905.

There is not much of importance happening on ship board and yet it seems I could write a lot had I the time. Of course, there is plenty of time but one hesitates to lose any of the time from off deck. We come back by the

Astoria and it is smaller than this ship and I understand it will take eleven days. Some of the party do not like this but aside from the fact that it will take part of our time from sight-seeing in Europe it suits me very well. I never tire of the water.

I told you in my letter to mother something of our Fourth. I shall never forget it. We are all sorry we have not another event to celebrate. In the evening we had speeches and songs and a general good time. At the entrance to the dining-room the Union Jack and Star Spangled Banner hung side by side. The Chairman of the evening's entertainment was an Englishman and so the feeling of good will was expressed on both sides.

We have several very pretty little souvenirs of the day.

Yesterday, so far as the day itself was, was more like the Fourth, bright and pretty, and today is better still. Until yesterday we were in a heavy fog and consequently in some danger. We have lost fifty-six hours on account of it but will make up some of the time, getting into land about Sunday afternoon.

I spent the entire morning yesterday on deck and in the afternoon played dimes. In the evening we had a lecture and some music. We had a poem written of our trip by Mr. Wood, who is a poet and writes for The Smart Set. He says I may have a copy of it.

We have had a death on the ship—a steorage passenger, Mr. Ayers of Chicago. He died of delirium tremens. He is only twenty-five years of age but I hear is a man of family. He was traveling alone.

He was buried at 8 o'clock this morning and I got up at 7 on purpose to see the burial. Some of the folks did not want to see it, but as long as it had to be, I wanted to see it. The service, which was very short, was held on the second deck of the second cabin. We were over on our own deck, so did not hear the words, but could see. The Captain read the service and the sailors had the body, which was tied up in canvas much like an Indian papoose, on a board. They held the body on the rail on a board and at the proper time tilted the upper end, allowing it to slide off. One loud splash and all was over.

One poor girl on here is quite sick and I hear she sent for her friends and made them promise that she should be taken home in the event of her death.

I have not been over in the second cabin part or in the steorage, but expect to go.

BIRME.

GLASGOW, July 9th, 1905.

It seems rather odd to me to be here in Scotland at last, after all of the dreaming of it and it is impossible to think I'm farther from home than New York. Cities to my mind are all alike and this does not seem very different from the rest.

We landed at Greenock about 2:30 p. m. today. Took train for this place and arrived about 3:30 p. m. Fifteen minutes later took our carriage ride around the city and got caught in the rain; no umbrellas and open carriage, but fortunately most of us had rain coats.

We went out again after dinner, saw some of the city and took a car ride.

This is quite a pretty place, everything being built of stone, but no skyscrapers so far as I can see—the highest building is six stories.

Our voyage was so pleasant and I'm sorry it's over though glad we were not delayed longer on account of the short time we have for sight-seeing—only about thirteen days.

I am all alone in a room here tonight. Guess they must be afraid I will quarrel if they put me with anyone.

I went to bed at about 1 this morning and got up at 4 and it is now 11 p. m. I must be up at 6 in the morning so will not write much more as I feel the need of some sleep.

I had to pay extra for coffee here tonight and guess it will be so long as I stay here, so if it was to be for long I would quit drinking coffee, I think, for it is twelve cents in our money for a cup the size of the one we give Elizabeth at home.

BIRME.

T. M. Bowman, Sheriff of Lewis county, passed through here this morning having in charge a Mr. Moore, whom he was conveying to the asylum at Lexington.

The grass and weeds growing in the streets of the city are being harvested in spots, while a large acreage is left to expand and remain an eyesore and a menace to good health.

Beautiful pictures never grow old. They are prized in the homes of the poor and rich alike, they are admired by young and old, but the problem is how to secure them free. The manufacturers whose name appears on the wrappers of Easy Task Soap, will mail a beautiful oleograph painting to anyone who sends 25 panels taken from Easy Task Soap wrappers and a 2c stamp, and mentions the name of this paper. Easy Task, the best soap for laundry and kitchen use, is sold everywhere—5c a bar.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save the small box of his earnings. He must spend 70 in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars' outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by all druggists.

The net earnings of the Monongahela Coal and Coke Company during the past eight months have been \$300,000. For the first three months, beginning November 1st of last year, navigation was so poor that a loss was incurred, which was made up during the following four months, and the balance quoted above has resulted.

 With the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by all Druggists.

**WONDERFUL CURE OF SORE HANDS**

By Cuticura After the Most Awful Suffering Ever Experienced

**EIGHT DOCTORS**

And Many Remedies Failed to do a Cent's Worth of Good

"I was troubled with sore hands, so sore that when I would put them in water the pain would nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything, but could get no relief. I tried at least eight different doctors, but none did me any good, as my hands were as bad when I got through doctoring as when I began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings, to think I had to go to work and stand the pain for ten hours, I often felt like giving up my position. Before I started to work I would have to wrap every finger up separately, so as to try and keep them soft, and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves; in fact, I had to wear gloves all the time. But thanks to Cuticura, that is all over now."

**CURED FOR 50c.**

"After doctoring for three years, and spending much money, a 50c. box of Cuticura Ointment ended all my sufferings. It's been two years since I used any, and I don't know what sore hands are now, and never lost a day's work while using Cuticura Ointment."

**ONLY ONE.**

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Henry Bertram, shoemaker, 27 East Third street, Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from some form of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore I had suffered for some time with backache and a tired feeling and having aching in and about the kidneys. Being a shoemaker, I thought my trouble was caused by my work, for every time I took cold it settled in my back, but Doan's Kidney Pills quickly rid me of the trouble, and never from that time to this have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and to be honest with you, I will say that, in my opinion, there is no remedy for kidney disorders equal to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foeter-Milbarn Co., Buffalo, N. Y., sole agents for the United States.
